Bridging the Past to the Future

## Heritage Circles

HERITAGE CIRCLES are a significant membership initiative that ensures long-term financial support to Heritage Frederick and is an investment in the preservation of Frederick County history.

Heritage Circles members pledge to make a meaningful annual donation to Heritage Frederick for 5 years, giving our organization a powerful tool that helps us plan for our future.

Heritage Circles members receive all of the benefits extended to our annual members. In addition, they receive the following:

- A prized two-volume set of The Jacob Engelbrecht Diaries, the extraordinary and significant historical record of day-to-day life in Frederick County during the 1800's.
- An annual invitation to a members-only lecture by a distinguished Heritage Frederick curator, scholar or expert.
- Invitations to the private annual "Members Only" Appreciation Reception hosted by our board of directors.
- Special name recognition in our annual report when we will proudly announce new members at our annual meeting.
